

Input Material Application Record*

Farm Name: _____

Producer Name(s): _____

Year: _____

*This form replaces the greenhouse record, field record and spray record forms provided in previous years.

Use this form to record application of all types of inputs, including manure, compost, soil amendments, fertilizers, planting media or potting soil, mulches, and pest management materials used both in the field and in greenhouses or hoopouses. This form may be used to track all of your applications in multiple locations or you may use a copy of this form for each field, greenhouse or hoopouse.

Date Applied	Location and Crop	Material Product Name	Source/ Manufacturer	Purpose / Reason for Use	Organic Status Verification ¹	Application Method and Rate / Amount
3/1	Field 1 Broccoli	Dipel DF	Valent BioSciences	Worm control	OMRI listed	½ lb/acre

Documentation should be available at the time of the inspection to support the information recorded by producers, including the following, as applicable: receipts for purchased inputs, labels for any materials not listed on an approved list, and receiving/source records for any free or bartered input materials.

¹ OMRI or WSDA List, certifier (VOF) review and approval, NOP Seal on label or allowed as per National List
