

Lunch provided!

## Vermont Organic Farmers Annual Producer Meeting

Friday, January 16th, 2026 from 10am-2pm

Richmond Congregational Church  
20 Church St, Richmond

You're invited! The VOF annual meeting is open to all certified producers (farmers and processors) and those interested in organic certification. **It is important that certified producers attend this meeting to represent the interests of their operation. Your input is important to us..**

**Please RSVP by Jan 7th by visiting our website, emailing [info@vermontorganic.org](mailto:info@vermontorganic.org), or calling our office at 802-434-3821.**

### **Major Topics**

- **New VOF Standard Updates:** Several policies were clarified by the VOF Review Committee during 2025. These will all be reviewed and discussed during the meeting. Find additional details in the attached documents.
- **Celebrate:** There will be no certification fee increase in 2026!
- **Updates & Reports:** Come and hear important updates on the National Organic Standards and policy issues that affect organic producers.
- **Lunch & Panel:** Stay for lunch and participate in a panel discussion about innovative ways to support the next generation of organic farmers. This portion of the day will be sponsored by the Transition to Organic Partnership Program!

### **We Want Your Feedback!**

Please complete our surveys to provide helpful feedback to inspectors and to help us make improvements to our certification program.
